Parent/Adult Volunteers Needed

Parental involvement is key to the success of our children’s and youth choir program. To comply with our Safe Sanctuaries policy, we need adults present at choir rehearsals. We also need help on Sunday morning, providing snacks and carpooling for The Next Generation on Wednesday afternoons, providing lunch for Momentum Youth Choir on Sundays, etc. **We are also interested to know if you play an instrument and would be willing to play with the children.**

Name _____ Instrument _____
